THANK YOU from the Romania Mission Team 2025 together with the Missions Committee for the way you have blessed us. In total to date **we have received \$25,177.34** for the Copsa Mica Youth & Children's Center project. This includes proceeds from the Dinner/Auction as well as private donations and the team member's portion of the flight costs. Thank you to all who donated items for the auction, who helped in preparation for the dinner/auction and to those who donated bottles and cans. Thank you also for your continued prayers as the team serves in Romania. Pray that they will be blessed as they serve and that they will be a blessing to the Copsa Mica believers. You can follow the team's progress through pictures and video clips posted on the church website.
