PCC Baby Bottle Campaign!

Did you know that when you give to the Baby Bottle Campaign you are helping relieve some of the financial and emotional pressures for hundreds of local women facing unintended pregnancies? In the current economy, more women than usual are turning to the Pregnancy Care Centre for free supports of all kinds. Your giving makes it possible for the PCC to meet these growing needs. If you didn't get your bottle last week, you can still participate. Just pick one up today at the table in the foyer and fill it with coins, cash, or a cheque between now and Father's Day, June 18.
